**Business Partner** – Our Business Partners are CAFR partners who want to support CAFR by participating beyond an individual level. These partners understand the important role businesses play in the success of CAFR.

**Community Partner** - Our Community Partners are CAFR partners that share in being organizations of public or non-profit service.

**Individual Business/Organization Partner** – Our Individual partners are people who see the importance of being part of the CAFR community whether they are part of a private or public entity or simply an individual that wants to contribute.

**Citizen member** – Citizen Members are members of the community at large who understand the importance of recycling and the responsible management of resources in the state of Colorado. These members want to support CAFR's mission and be kept up to date on important recycling and materials issues that affect their lives in Colorado. Citizen membership is for individuals not involved professionally in the waste or recycling business. Citizen members receive the CAFR newsletter, can access volunteer opportunities and can participate in select councils. You must join at the individual level to attend events at member rates.
