Turning today's waste into tomorrow's resources.

Dear Fellow Supporters of Recycling in Colorado:

Thank you for being a valuable supporter of the Colorado Association for Recycling. Your commitment enables our organization to take action to turn waste into marketable resources. We are excited to announce the 2017 annual Summit for Recycling conference will be held June 4-6th in Fort Collins. During the conference we are raising funds by holding our annual Silent Auction.

Please consider providing goods or services for this important auction that will help CAFR to continue to function as the leading independent, non-profit organization in Colorado, successfully promoting and encouraging waste reduction and sustainable materials management.

In 2016 CAFR:

- Passed the Manufacturing Sales and Use Tax Exemption for Recyclers to save businesses money when purchasing recycle equipment
- Hosted a Lobby Day and Legislative Reception with state-elected officials
- Connected like-minded businesses and organizations as well as collaborated with agencies such as the Colorado Department of Health and Environment, RAFT Colorado, Green Up our Schools, and the Carton Council
- Engaged youth in activities such as the recycling poster contest and recycle video, along with provided scholarships for college students to attend the summit

Our Silent Auction is a great way to gain exposure for your organization. Your business will be featured at the summit and your items will be bid on by over 250 attendees.

Donation examples include:

- Gift cards for restaurants and travel
- Mountain passes, ski lessons, gondola ride
- Recycled art or up-cycled goods
- Environmentally friendly items
- Apparel
